

FastTrac® NewVenture™ Program

Starting a business or thinking about it? New to entrepreneurship? Consider this...

MI-SBTDC (Michigan Small Business Technology & Development Center) has scheduled a FastTrac® NewVenture™ program. This is a hands-on program where you'll develop business, operational and financial plans for your new venture.

It starts on Monday, May 4, in downtown Ypsilanti. It's intense and requires a serious commitment – six full days of work between May 4 and May 15. (Contact SBTDC about other dates and locations around the state.)

Keep reading...here's the best part...the program is FREE if you've been recently laid off, earned less than \$40K last year, or are under 24 years old. Imagine getting this much help from certified business coaches and experts in all critical business areas – free. Don't qualify for the free offer? You still get a great deal at \$350.

Interested? Need more information? Call Miche Suboski at 586.929.4782 or send me an e-mail and we'll call you.

Don't forget to share this opportunity with your friends and associates.

Best regards,

Diane
